Happy Healthy Humanity

Who we are

- Daystar Compassion and Care Centre (DCCC) is a special counselling program offered under the Student Counsellors section in the Student Affairs Department.
- DCCC focuses on helping students who have health related challenges such living with chronic illnesses e.g HIV/AIDS, Cancer, Disabilities etc.
- It also has psychosocial support programs for people who are struggling with addictions of various kinds.
- The center also addresses issues of Gender Based Violence (GBV) prevention and management.

Vision

To make Daystar a lead model university in promoting holistic health from a Christian perspective in Africa and the rest of the world.

Mission

To provide holistic health programs through training, mentorship, counselling and offering psychosocial support programs to students, staff and the community.
