PRINCIPLES GOVERNING STUDENTS CONDUCT AND DISCIPLINE

Introduction

Daystar University is a Christian institution of higher learning, a community of scholars from various racial and ethnic groups, nations and backgrounds. Pursuant to our Mission, Vision and Core values, Daystar University offers a Christocentric education with a view to serving the Church and society whose curriculum includes general education courses required for all students. By coming to Daystar, the students indicate their commitment to comply with the existing standards including the vision, mission and values of Daystar University in thought, word and deed. No student will be allowed to participate in ANY leadership position unless he/she exemplifies these standards. It is expected that Daystar students will exemplify a God-controlled life, both on and off the Daystar campuses.

Upon admission, students are expected to familiarize themselves with the contents of the Students' Handbook.

Spiritual Nurture

The Chaplaincy team spearheads the spiritual nurture activities in the University. All students commit themselves to participate in all University spiritual nurture programs including but not limited to chapel-attendance, bible study groups and Christ-centered mentorship programs.

Discipline

Daystar University trains and equips servant leaders for the expansion of God's kingdom in the world, with special focus on Africa. *Effective leaders must be disciplined in word, action and thought life. The following are not permissible to students of Daystar University:*

- *Use or possession of alcohol,*
- *Use or possession of illegal drugs,*
- *Use or possession of obscene or pornographic materials,*
- *Indulgence in immoral sexual behaviors*
- *Use of offensive language,*
- *Indecent dressing,*
- *Plagiarism and any other form of academic dishonesty*
- *Unauthorized absenteeism of oneself from classes and chapel,*

And other practices which are questionable in Christian living.

Dress Code

Daystar University aspires to inculcate a culture of professionalism in all aspects of an individual's physical appearance. The standard expectation of hairstyle and dressing for both men and women is cleanliness, modesty and decency. It is also unacceptable to pierce one's nose, navel, eye brows, tongue or to wear tattoos on one's body.

Standard of dress for Women

The length of dresses and skirts should be below the knee line (when standing and sitting). Skirt slits should be modest and should be no higher than the top of the knee. Dressing that is unacceptable for female students includes but not limited to low necklines, body tight trousers, bare-backs, navel-gazers (tumbo-cut), see through clothing, and spaghetti tops, among others.

Standard of dress for Men

Male students are expected to wear properly groomed hair. They are not allowed to braid their hair in any form of locks or braids, wear head-scarfs, wear earrings and studs, wear sagging trousers, wear hats in class or chapel functions and they are not allowed to display bare chest.

Resolving Grievances

The Daystar University community believes in the dialogue approach to settling of grievances or misunderstandings that may arise from time to time. Every opportunity will be provided for dialogue. Therefore, boycotts, strikes, riots, sit-ins, protests, unruly behavior, incitement or any form of mass indiscipline are not allowed for students at Daystar University.

Any student who will not conform to this code, or whose conduct is detrimental to the total welfare of the Daystar Community, shall be subject to disciplinary action, which may result in suspension or dismissal.

I have read and understood the principles highlighted herein and I commit myself to abide by them.
