

DAYSTAR UNIVERSITY STAFF PROFILE OF PROF. DR. DR. MONI WEKESA

<p>1. Name:</p>	<p><i>Prof. Dr. Dr. Moni Wekesa</i> DEAN – SCHOOL OF LAW Associate Professor of Law Associate Professor of Sports Medicine</p>
<p>2. Passport photo:</p>	
<p>3. Job Title and Responsibilities:</p>	<ul style="list-style-type: none"> • DEAN – SCHOOL OF LAW • Academic & Administrative Leadership of the School of Law <p>Associate Professor of Law</p> <ul style="list-style-type: none"> • Teaching & Research in Law, Community Service
<p>4. Biography (About Me):</p>	<p>I am a teacher whose childhood dream was to become a Professor. I have trained in the fields of Sports Science specializing in Sports Medicine and in Law, acquiring PhDs in both fields. I have taught Sports Medicine at Kenyatta University, University of Botswana, and University of Namibia. I have taught law at Catholic University of Eastern Africa, Mount Kenya University and now at Daystar University. I am a Visiting Professor of Law at the Kigali Independent University, Rwanda where I participate in the teaching and supervision of postgraduate Law students. I am also on the Roll of Senior Scholars of Lusaka University School of Law.</p> <p>I am a practicing advocate, Commissioner for Oaths and Notary Public.</p> <p>I have taught many courses in sports medicine and in law in various institutions. I have supervised many postgraduate students at numerous universities.</p>

I served as Deputy Dean of Faculty at the University of Botswana (1996-7), Chair of the Department of Human Movement Science at the University of Namibia (1998). I have also served as Regional Manager in charge of Africa for Special Olympics International (1999-2001) and as the Chief Executive Officer of Kenya Football Federation (2005). I was the Founding Dean of Mount Kenya University School of Law (2010-2016) and the Founding Dean of Daystar University School of Law from 2016 where I still serve to date.

I chaired a National Taskforce on Anti-Doping (2013-2014) which led to the enactment of the Anti-Doping Act, 2016 and creation of the Anti-Doping Agency of Kenya both in 2016.

By way of giving back to the community, I have served as a Honorary Legal Counsel – East African Universities Sports Federation from 2003. I was on the founding Council of Friends University-Kaimosi, I also served as Vice Chair of the Bioethics Committee of the National Commission of Science, Technology and Innovation for six years ending in 2018. This Committee is charged with accrediting Institutional Ethics Committee for purposes of ensuring ethics in research. I served as Sports Medicine consultant to the National Football team, National Hockey and Volleyball teams in 1990-1995. I have also served in the capacity of Africa Doping Officer for the International Football Federation and Confederation of African Football. I also served Football Kenya Federation as Chair of the Disciplinary Committee and also Chair of the Disciplinary Committee of the Kenyan Premier League Ltd.

I worked as a Consultant for Special Olympics Inc., Ministry of Sports (formulating the Regulations for the Sports Registrar), Ministry of Sports (Drafting the Anti-Doping Bill, the Anti-Doping Policy and the Anti-Doping Rules), Kenya Nutritionists and Dieticians Institute (drafting the amendment Act and Regulations), Kenya Academy of Sports (Regulations) and Sports Kenya (drafting Regulations), Centre for Multi-Party Democracy (reviewing proposed Constitutions for Sports bodies), Konrad Adenauer Foundation (Writing and editing legal materials) and Africa Technology Policy Studies (writing and editing materials on Intellectual Property Rights).

I serve as a member of the Disciplinary Tribunal of the International Association of Athletics Federations (IAAF) Integrity Unit based in London. I also sit on the Anti-Doping Committee of the International Federation of Sports for Persons with Intellectual

	<p>Disabilities. I am a Director at the Anti-Doping Agency of Kenya (ADAK) since 2016 and a Member of Council of Pwani University since 2017.</p> <p>I am a Sunday School teacher since 1976 to date.</p>
<p>5. Academic Qualifications:</p>	<p>PhD (Law) 2010, University of Nairobi/School of Law <i>Dissertation: Regulation of Doping in Sports – The Case of Kenya</i></p> <p>Master of Laws (LL.M) 2005, University of Nairobi, <i>Dissertation: Doping Control in Sports: Legal issues in the Transfer of Technology to Third World Countries</i></p> <p>Diploma in Law (Kenya School of Law) – Bar Exams August 2002-November 2003, Kenya School of Law</p> <p>Bachelor of Laws (LL.B) Upper Second Class Division August 2002, University of Nairobi, Nairobi, Kenya <i>Dissertation: Legal Interventions in the Management of HIV/AIDS in Kenya</i></p> <p>Dr. Sportwissenschaft. in Sports Medicine & Rehabilitation August 1989, Deutsche Sporthochschule, Cologne, Germany <i>Dissertation: Untersuchungen zum Erfolgswachstum sporttherapeutischer Massnahmen bei stationaer behandelten asthmakranken Kindern und Jugendlichen</i></p> <p>Diplomsportlehrer/MSc in Sports Medicine October 1986 Deutsche Sporthochschule, Cologne, Germany <i>Thesis: Diagnostische und therapeutische Massnahmen in Physical Education Programmen und in der Sporttherapie mit asthmatischen Kindern und Jugendlichen - eine Literaturbesprechung als Vergleich zwischen den didaktisch-methodischen Ansätzen im Deutsch- und im Englischsprachigen Raum.</i></p> <p>Bachelor of Education (B.ED) First Class Hons December 1981, University of Nairobi</p>
<p>6. Research Interests:</p>	<ul style="list-style-type: none"> • Sports Law • Protection of indigenous Knowledge • Law and technology • Intellectual property rights • Medical Law and Ethics

<p>10.Experience in Accreditation of Institutions</p>	<ul style="list-style-type: none"> • I Spear-headed the founding and accreditation of the Daystar University School of Law (2016-2018) • RAF International University (RIU) – I prepared documents (together with Prof. Everret Standa) leading to the grant of Letter of Interim Authority (2014-2015) by the Commission for University Education. • Mount Kenya University (2010-2011) – I Participated in the Working Committees towards award of Charter I focused largely on preparation of the Charter and Statutes. • Spearheaded meetings leading to Provisional Accreditation of the School of Law – Mount Kenya University - 2011; • I facilitated in Setting up of the Kenya Nutritionists and Dieticians Institute (a regulatory body for Nutrition and Dietetics Education); • I participated in formulation of Guidelines and Standards for Biomedical Research in Kenya through the Bioethics

	<p>Committee of the National Council for Science Technology and Innovation;</p> <ul style="list-style-type: none"> • I participated in drawing up Rules for accreditation of research institutions through the Bioethics Committee of the National Council for Science Technology and Innovation – for regulation of research in Kenya; • I chaired a Sub-Committee of Vice-Chancellors of Private Universities on the Draft Universities Regulations 2013; • I was a Peer-Reviewer with Council of Legal Education (from 2012-14) – for accreditation of Law Schools
<p>11. Bilateral and Multilateral Relations with Government and other non-governmental bodies</p>	<p>I worked and maintained continuous dialogue with government authorities, other humanitarian/NGO partners, private sector components to provide advisory services and lobby for support of the country programmes; I advocated for Special Olympics, Inc. to identify catalytic areas for support and intervention in the light of local, regional and national priorities in the area of rehabilitation of persons with mental retardation. This interdisciplinary approach was also very common and useful in football management.</p> <p>I worked also on committees to establish the public-private partnerships between Mount Kenya University and the then Ministry of Medical Services leading to a MoU that enables Mount Kenya University to develop Thika Level Five hospital and use it as a teaching hospital.</p> <p>I also worked on negotiations with Ministry of Education officials and other stakeholders to have the Kenya Universities Placement Service under the Universities Act place government sponsored students in private Universities.</p>

<p>12 Research Management and output</p>	<p>Participated in a variety of research projects. In particular, I was involved in the planning/design, implementation, evaluation and publication of research projects in a variety of countries. I was a team leader of various research projects in Kenya, Botswana and Namibia. I was co-team leader for a Pan-African Research Project on elite sportsmen at the All Africa Games in Harare, Zimbabwe in 1995; as Project leader of various research projects I was also the accounting officer in charge of financial accounting; I headed research committees at the Universities of Kenyatta (Kenya), Botswana and Namibia; to date I have over 40 publications in the form of books, chapters in books and articles in refereed journals. I mobilized a continental research team to examine questions relating to mental retardation, including Public Health issues like eyesight and oral hygiene.</p>
<p>13 Editorial Engagements</p>	<p>I edited the following works-</p> <p>Daystar University Law Journal (DULJ) Vol 1 No 1 (2018) – Chief Editor</p> <p>Mount Kenya University Law Journal (MKULJ) Vol 1 Nos 1 and 2 (2012-2013) – Chief Editor</p> <p>African Journal for Physical, Health Education, Recreation and Dance (AJIPHERD) Vol.1 Nos. 1 and 2 (1995)</p> <p>African Journal for Physical, Health Education, Recreation and Dance (AJIPHERD) Vol.2 Nos.1 and 2 (1996)</p> <p>African Journal for Physical, Health Education, Recreation and Dance (AJIPHERD) Vol.3 No.1 (1997)</p> <p>Amusa, L.O., Wekesa, M. and Toriola, A.L. (eds) 1997: The making of an African Athlete: A Multi-Dimensional Approach. Proceedings of the All Africa Games Scientific Congress. Harare:AFAHPER-SD, pp.230</p> <p>Owolabi, E.O., B. Kalui, M. Wekesa and A.L. Toriola (1997): Physical Education in Botswana Schools and Colleges. Gaborone: University of Botswana, pp.218.</p> <p>African Journal for Physical, Health Education, Recreation and Dance (AJIPHERD) Vol.4 No.1 (1998)</p>
<p>14. Human Resource and Staff Development</p>	<p>I have participated in identifying needs for various areas at University and in Programmes in Africa; participated in shortlisting of candidates; and providing orientation to newly recruited staff on field policies, security, and procedures. I have worked in several multi-cultural settings and supervised well educated staff at the University of Botswana, Namibia, Mount Kenya and Daystar. As Founding Dean of the School of Law – Mount Kenya University, I grew the staff compliment from Nil (in June 2010) to over 25 (by</p>

	<p>Sept 2012) with student numbers increasing from about 25 to about 1,500 over the same period. I have laid out a plan for staff growth at Daystar University School of Law.</p>
<p>15. Financial and Administrative Management</p>	<p>I have acquired financial and administrative management skills through formal education and responsibilities held in various organizations [at Universities and Special Olympics, Inc]. Responsibilities have varied from planning, management, and implementation to monitoring departmental budgets at Universities to managing budgetary allocations to programmes in various countries in Africa. In particular, as head of department - planning and managing the departmental budget; as a researcher - managing research funds for groups; as Regional Manager for Africa - planning, managing and supervising large projects in various countries; as CEO of Kenya Football Federation – managing a National body with international linkages.</p> <p>I prepared project grants for funding and supervised the programs in Sub-Saharan Africa, more particularly Botswana, Cote D’Ivoire, Ghana, Kenya, Namibia, Seychelles, Uganda and Zimbabwe. .</p> <p>I participated in Financial planning for the University based on Faculty needs at the Universities of Botswana, Namibia, and Mount Kenya. I do the same at Daystar.</p> <p>As a member of Audit Committees at Pwani University and at the Anti-Doping Agency of Kenya, I have acquired skills for auditing and checking financial budgets and expenditure.</p>
<p>16 Membership in Professional Organisations</p>	<ol style="list-style-type: none"> 1. Law Society of Kenya 2. East African Law Society 3. Co-ordinator, Doping Control, Federation Internationale de Football (FIFA) 4. Secretary General/Treasurer, Africa Association for Health, Physical Education, Recreation, Sport and Dance (AFAHPER-SD)(1994-99) 5.
