

LIBRARY UPDATES

New Books Available in the Library

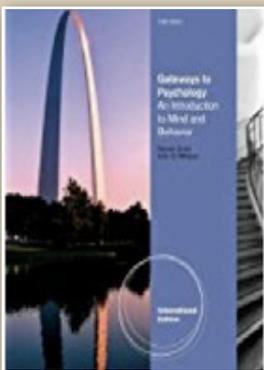

**Toward the African Revolution (Fanon, Frantz) New Edition
by Frantz Fanon (Author), Haakon Chevalier (Translator), Francois Maspéro
(Introduction)**

This powerful collection of articles, essays, and letters spans the period between *Black Skin, White Masks* (1952) and *The Wretched of the Earth* (1961), Fanon's landmark manifesto on the psychology of the colonized and the means of empowerment necessary for their liberation. These pieces display the genesis of some of Fanon's greatest ideas — ideas that became so vital to the leaders of the American civil rights movement.

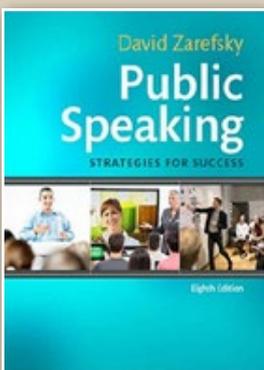

**Debating Governance: Authority, Steering, and Democracy 1st Edition
by Jon Pierre (Editor)**

Leading scholars in the field of governance examine the effectiveness of the different non-institutional strategies at the disposal of modern governments in tackling issues of urban decline, public administrations, governmental regionalization, budget deficits, and global economics.

**Gateways to Psychology: An Introduction to Mind & Behavior. by Dennis Coon,
John Mitterer International ed of 13th Revised ed Edition by Dennis Coon.**

Co-written by an author who garners more accolades and rave reviews from instructors and students with each succeeding edition, *gateways to psychology: an introduction to mind and behavior*, 13e, International Edition attracts and holds the attention of even difficult-to-reach students. The Thirteenth Edition's hallmark continues to be its pioneering integration of the proven-effective SQ4R learning system (Survey, Question, Read, Reflect, Review, Recite), which promotes critical thinking as it guides students step-by-step to an understanding of psychology's broad concepts and diversity of topics. Throughout every chapter, these active learning tools, together with the book's example-laced writing style, discussions of positive psychology, cutting-edge coverage of the field's new research findings, and excellent media resources, ensure that users find the study of psychology fascinating, relevant, and above all, accessible.

**Public Speaking: Strategies for Success (8th Edition) 8th Edition
by David Zarefsky.**

Public Speaking: Strategies for Success gives readers the tools they need to think critically, plan strategically, and speak effectively. By thinking analytically, organizing ideas, doing sound research, and properly assessing their audiences, readers learn how to successfully inform and persuade. In the process, they build necessary skills for many other areas of life.

The Eighth Edition builds on the idea that public speaking is a strategic practice. It allows readers to recognize that public speaking is an art dictated by the dynamics of an audience. By learning a set of norms and expectations and strategizing how to plan for any situation, readers are better able to achieve their public speaking goals. Students learn to prepare for any public speaking situation by assessing different strategies and developing habits of analysis and memory through examples, activities and sample speeches. Emphasis on underlying theory throughout helps readers understand how certain speakers and their audiences engage one another.
