

SPORTS AND RECREATION INFORMATION

Mr. Maurice Masiga
University Sport Officer

Under Student Affairs Department, the University runs more than 15 different Sports and Recreation activities at our two campuses. All our teams are under the brand name: “FALCONS” i.e. Falcons Rugby Team, Falcons Handball Team, etc.

The Falcons participate mainly in the Kenya University Sports Association (KUSA) leagues but also in national federation leagues. By a look at the department you will be interested to note some of the following sporting activities:

i) **Rugby Falcons**

The Falcons Rugby team participates mainly in the Kenya Rugby Union League (KRUL) and tournaments and have won accolades of different kinds. These links are just a sneak preview of what the team has been involved in in the recent past.

iii) **Soccer**

Soccer is by far the most popular sport in the world. This is not any different at Daystar. The competition is very high both at team level and at league level also.

iv) **Handball**

The Handball Falcons are the newest kids on the block and moving up the ladder of performance at KUSA (Kenya University Sport Association) quite fast.

v) **Intramurals**

The Daystar community members enthusiastically come together for recreational sports, forming teams to compete in the Daystar Super League (DSL).

The Daystar Super League (DSL) happens every semester and is very popular with community members that are not on any of the Falcon teams.
